

# ASDA

Dear ASDA Approved Packaging Printer,

A massive **Thank You** to every member of your team for their contribution, as together we endeavour to ensure products continue to flow onto Asda's shelves and onto our Home Delivery Vans to keep the nation fed.

We find ourselves in an unprecedented situation and I would like to recognise the continued hard work, flexibility and service you are delivering to ASDA's supply base.

**Stay safe and look after each other.**
